

New Job for Leahy?

PRESIDENT Truman has been privately turning on the heat to ease out his chief of staff, 73-year-old elder statesman, Adm. William D. Leahy.

Mr. Truman, who hates to fire anyone himself, recently called in Leahy's close friend, Adm. Louis Denfeld, chief of naval operations and the man who really runs the navy. Addressing Denfeld as "Lou," though he usually calls him "Admiral," Truman said:

"Lou, I want you to do something for me. I want you to ask Leahy to retire."

"I like the old man," the President continued, "but he's outgrown his usefulness. I just hate to do this, but you can find a way of suggesting it to him. When I first came here, he offered to resign and I said no. Then last year he offered to resign again, and I asked him to stay. So it's very embarrassing to me and I can't very well ask him myself."

Admiral Denfeld, who has known Leahy all his life, demurred.

"I suppose Secretary Forrestal has been telling you that I have two votes in the joint chiefs of staff—mine and Leahy's," he said. "But just look at the record. You'll find Leahy voted against me most of the time."

"He's gotten too reactionary," countered the President. "He and George Marshall are hardly on speaking terms. Everything Marshall proposes, Leahy tears to pieces. Clark Clifford tells me the public reaction to him is bad."

Denfeld replied that he didn't see how he could possibly ask Admiral Leahy to retire.

"He's my superior," he said, "and I can't go to him with a proposal like that."

"Well, figure out some big job we can give him," countered the President. I want him to retire in a blaze of glory. After his career he deserves it. Think up some important mission we can send him on—something really important."

Admiral Denfeld promised to look into the matter, came back a few days later with the idea that Admiral Leahy be appointed U. S. ambassador to Spain.

Leahy had already served as ambassador to France and governor of Puerto Rico, has something of a diplomatic background and Truman was delighted with the idea. However, he overlooked the fact that we have no diplomatic relations with Spain, and have agreed not to appoint an ambassador until the Franco government is recognized by the United Nations.

This fact was promptly brought to Mr. Truman's attention when he suggested that Leahy become ambassador to Spain. The state department was emphatic and adamant. No ambassador, it said—not even Admiral Leahy—would be sent to Madrid.

Mr. Truman is still looking for a job for Admiral Leahy.

Ex-Ghost Writer's Opinion

Judge Sam Rosenman of New York, who used to write speeches for both Franklin D. Roosevelt and Harry Truman, gave a private diagnosis of Truman's campaign talks the other day that would have delighted the ears of Dewey forces.

Chatting with a close friend, Rosenman declared: "I don't know who is writing this stuff the President has been delivering from the platform, but it will lose him more votes than he will win."

"In my opinion, the President is harping on that Wall street-against-the-farmer and capital-against-labor theme too heavy. That type of appeal doesn't register any more, except maybe with the Wallaces. The farmers are too well off this year to be frightened by Wall street."

Judge Rosenman said he would have been glad to have offered his advice on Truman's speeches, "for whatever it was worth," but added that "some people around the President apparently think I am a bad influence."

Rosenman didn't name names, but it was jealous Secretary of the Treasury John Snyder who eulogized Rosenman from riding on the President's train.

"I helped prepare the President's convention acceptance speech and his message to the special session of congress," Judge Rosenman told a friend, "but I haven't been called in since."

Wainwright's Name

Gen. Jonathan Wainwright, hero of Corregidor, will start selling life insurance to servicemen—just as soon as he can get some more big name generals and admirals to go into business with him. He has already invited the retired air chief of staff, Carl Spaatz, to join him.

Financial backing for Wainwright's new firm already has been put up by Lincoln National and Mutual Life Insurance companies, but the general claims his firm will be nonprofit. He will call it the Armed Forces Mutual Life Insurance company.

Registration of Democrats Greatly Exceeds Republican Tally in This Community

Another record registration was announced today by Secretary of State Frank M. Jordan who said 5,062,089 Californians are eligible to vote at the forthcoming general election November 2.

Jordan announced that registration of the two major parties in Santa Clara county totaled 111,471. Registration figures revealed the Democrats leading by 8,533. Republican registration totaled 54,569, while the Democrats tallied 63,002.

The current registration is 29 1-2 per cent more than the 3,566,734 who qualified to go to the polls in the last presidential general election of 1944. In addition, Jordan said, the registration increased 8 1-2 per cent from the June primary or a boost of 429,960 registrants.

Of the total registration 2,892,270 are listed as Democrats and 1,908,208 as Republicans. The Secretary of State said of the 5,062,089 registered, Democrats accounted for 57.14 per cent and the Republicans 37.70 per cent. The Democratic registration was 34 per cent greater than the Republican.

Breaking down the figures still more, Jordan said the registration showed that since earlier this year the Democrats had increased their

registration by 226,710 and the Republicans, 158,955.

Registration by counties showed that the Democrats had the majority in 55 out of 58, with the Republicans retaining two counties—Alpine and Orange—and gaining Mono county.

The largest registration came from Los Angeles county with a total of 2,122,858, composed of 1,200,979 Democrats and 781,956 Republicans. In second place was San Francisco county with 462,836, including 292,682 Democrats and 155,770 Republicans, followed by Alameda county with a total of 416,731, composed of 234,897 Democrats and 163,591 Republicans.

Legion Group Hears Kirkwood On Charter

Guest speaker before the combined units of the American Legion and Auxiliary Wednesday evening, October 13, was Robert Kirkwood, assemblyman, who spoke on the proposed County Charter.

After the conclusion of his speech the organizations continued their separate business session with Mrs. John Morley presiding over the Auxiliary meeting.

Mrs. Harold Peck, 13th District Child Welfare chairman, reported that as a district project she hoped that the Campbell Unit would sponsor a clothing collection for the children of Europe. Members of the unit were enthusiastic in their approval of the idea. It was announced that future meetings of the Auxiliary would be held in the upstairs of the IOOF hall.

A potluck dinner with the men has been planned for the next meeting, to convene at 6 p.m. in the IOOF hall, October 27. The occasion will honor the installation of the Sons of the Legion under the direction of Charles Freude. Dinner plans are being directed by Mrs. Charles Freude assisted by Mrs. H. A. Olson.

Gasoline Fire Consumes Tent

A gasoline stove exploding Monday afternoon set fire to a tent in Richardson's Court, Dillon Avenue, and completely demolished the tent and its contents. Both trucks of the Campbell Volunteer Fire Department responded to the alarm, according to L. V. Garner, and were able to prevent the fire from spreading further.

A garage on the adjoining property was slightly charred but was saved from further damage. The tent had just been purchased by Mrs. Barnwell, who was alone at the time of the explosion. She was uninjured.

New Publishers Announce Campbell Press Policy

The Campbell Press has charted a new course.

This newspaper, 54 years old, is entering a new era under the management and ownership of Eugene W. Barnes and Max L. Freeman who assumed management October 15. Until recent years the Campbell Press had been a home owned newspaper and we are happy to say will from this time on continue to be operated as such.

In outlining the future policy of this newspaper the new publishers announce that while wars, plagues, earthquakes, suicides and automobile accidents fill the front pages of the metropolitan newspapers today, this publication will confine its activities to producing a newspaper chock full of those little personal, homey touches so much a part of the American way of life.

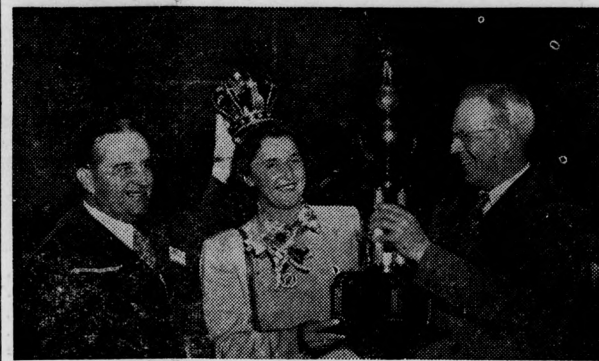

News will be handled impersonally—as news—in an unbiased vein, reserving our personal opinions and pet peeves for the editorial columns. Features appearing in the Press, do not, necessarily carry the approval of the new publishers. They are demonstrative, we hope, of a cross section of public sentiment on local and national affairs.

A newspaper as firmly founded and as deeply entrenched in community affairs as The Campbell Press should, and will, adhere to a firm policy of community betterment. A strong stand will be taken on all matters concerning the best interests of this district.

The publishers consider themselves merely sales representatives of local merchants, realizing that only through co-operation on the part of the Press and local businessmen can they continue a long and lasting association built on a firm foundation of loyalty, trust and confidence.

All possible co-operation will be given press secretaries and publicity chairmen of local clubs, organizations and church groups in the handling of their news releases.

First Annual Flower Show Successful Event

GOLF QUEEN IS HONORED . . . Gov. Earl Warren of California, Republican candidate for vice president, made a campaign stopover at Hartford, Conn., where he took occasion to present a massive trophy to Grace Lenczyk, Newington, Conn., college girl, who recently won the national women's golf championship in Pebble Beach, Cal. Earlier, Gov. James C. Shannon of Connecticut had presented Miss Lenczyk with a crown, and in picture he is holding it over her head.

Jack Anderson To Speak At Legion Pot Luck Oct. 27.

Guy W. Smith, Commander of Campbell Post 596, American Legion and Mrs. Edith Morley, President of the Auxiliary, an-

JACK ANDERSON

nounced that there will be a joint meeting and pot luck dinner of the Post and Auxiliary, October 27, at 6:00 p.m. in the IOOF hall.

Commander Smith announced that Forrest A. Reese, Post Americanism Chairman had procured Congressman Jack Anderson for the speaker at the dinner. Congressman Anderson will speak on the subject of the House Un-American Investigating Committee. Reese states that for months, even years, we have heard so much pro and con oratory and commentary on this subject that is lacking in integrity, that between the comrades of Russia, their sympathizers and sensation seekers, we don't know whom to believe or what to believe any more.

Americanism is one of the American Legion major programs and one that all Legionnaires and Auxiliary members are vitally interested in. Reese stated that members of the organization are desirous of knowing the facts concerning the investigations and that it was felt that Congressman Anderson knows these facts and speaks the truth.

At the conclusion of the dinner the Post, Auxiliary and visitors will retire to the lodge room where the officers of the Sons of the American Legion will be installed by Peter Navarro, Chairman of the Department Sons of the American Legion Committee. The Post and Auxiliary are sending out invitations to Mrs. Winifred Goodell, P.B.W.C. president; Ray Gilpatrick, IOOF president; A. C. Currie of Masonic Lodge; E. W. Barnes and Max L. Freeman and Miss Janice Freeman of the Campbell Press; William Henley, Campbell Grammar School district superintendent; Laurence Hill, Campbell High school principal and Chamber of Commerce president; Lowell Benson, Kiwanis president; Jim Arends, Sr., Rotary president; the Rev. Lawrence J. Osborne, the Rev. C. Leroy Crider, Cliff Winters, the Rev. Denis Kennedy, the Rev. A. F. McKinney, the Rev. Herbert L. Johnson, the Rev. S. E. Mobley, the Rev. C. Bufano and the Rev. Corwin H. Olds.

Campbell School Board Issue Goes Over the Top

Passed by an overwhelming majority, the voters of the Campbell Elementary Union School District were assured by a vote of 1118 to 124 Friday that the 277,000 bond issue was strongly supported by the public.

Tentative plans call for 20 new classrooms to be constructed with the funds to relieve the overcrowded conditions at the Campbell, San Tomas and Moorpark schools where 28 classes are operating on half day sessions. Construction will be started as soon as plans can be drawn and approval received according to District Superintendent of Schools William C. Henley. A special meeting of the board of trustees will be held this week to speed detailed instructions to the architectural firm of Kump and Falk of San Francisco. After the plans are drafted they will be turned over to state school authorities for checking and approval. Tentative plans are for the addition of eight new classrooms at Moorpark, and six each at Campbell and San Tomas. It is expected that the new additions will conform with the present school structures.

Arthur Smith Funeral Monday

Mr. and Mrs. W. A. Smith of 34 Sunnyside Ave. have been informed that their son, Arthur F. Smith, who was killed in action in the Philippine Islands during the early months of the war, will be sent here for burial at the Golden Gate Cemetery Monday morning, Oct. 25 at 11:45 p.m.

Smith held the rate of aviation engineer.

Forrest Reese in Appeal for Strong Dewey-Warren Vote

It should be obvious to all thinking people that we need a change in our national administration. To deny this would be to close our eyes to conditions, both at home and abroad, and generally to the mess we are in.

Our foreign situation could hardly be worse. The war has been over for more than three years, and yet we have no peace. Furthermore, the threat of another and more terrible war hangs over us.

In short, we think it is time for a change in philosophy of government and of our top leadership in Washington.

The course of our immediate destiny will be determined at the November election, and the situation calls for a non-partisan appraisal of conditions and circumstances that confront the voters, and the selection of the best qualified to give us the necessary leadership.

We as true Americans can no longer discharge our responsibilities to our country, to our children and to our children's children by taking refuge in the fact that we have always been of a particular political faith. Tradition should not dictate our decision. When we go to the polls to cast our votes for president and vice-president for the next four years, patriotism

Large Attendance at Initial Meet Assures Annual Success

"Let's blossom out" the Campbell Garden Club motto could well be taken for the theme of what should become an annual affair in the Campbell social calendar, following the conclusion Wednesday of their first beautiful and successful show and tea.

The stage was set in the garden mood by the approach to the Country Woman's Club, where lawn chairs and potted plants graced the lawn and porch. A vista of

flowers, colors and greenery was seen upon entrance to the clubhouse, with the entire room transformed into a bowery setting. The main attraction at the show was the table settings with flower arrangements displaying potentialities for every occasion in the social calendar.

The infants table, in charge of Mrs. Ray Fish and Mrs. C. David Baxter, was adorable with a tiny cradle fashioned of pink and white stock and chrysanthemums complete with a wee doll, carrying out the baby shower motif.

A wedding table setting followed, with a three-tiered brides cake intricately made from the blossoms of white chrysanthemums, and geranium. This table was arranged by Mrs. G. D. Wilson, Mrs. Rex Kaber, Mrs. Chris Maasberg and Mrs. Charles Hancock.

The third table depicted a silver wedding anniversary with silver bells setting off a white carnation table setting. The theme was also carried out with silver leaves, candles and silver foil under white net.

The golden wedding table under the direction of Mrs. Joy Longfellow and Mrs. C. R. Greenfield, was picturesque with a golden wedding ring made of gold marigolds dominating the table which was serviced with gold place setting and gold candles on golden foil.

Tea was served in the afternoon from a beautifully decorated table in blue and white colors with blue delphinium spikes setting off the silver table service which was spread on a lacy white crocheted cloth fashioned by Mrs. L. J. Barber for the occasion. In charge of the table were Mesdames Barth O'Brien, Joseph Vierra, G. H. Covell, L. J. Barber, Amel Ribblett, Martin Walsh, Rex Kaber and Ed Lee. Mrs. Harold Peck and Mrs. Monica Parr poured.

A miniature table at the end of the hall was admired by many who yearned over the tiny vases and urns displayed upon it, each with its own wee flower. The table also displayed miniature dwarfed trees. One of the attractions in the miniatures was a tiny silver urn which in Italy is used to announce the betrothal of a young couple. An antique snuff box was also displayed. Members responsible for the display were Mrs. E. F. Killmer, Mrs. Henry Parysek and Mrs. Lloyd Brown.

The Guatemala display by Mrs. Ethan Lanphear and Mrs. Charles Stumbo was a Central American dream in technicolor. Native

woven cloth was used to back up the exotic table with is tropical appearing fruits and leaves and tiny gaily-hued birds clinging to the branches.

A harvest table in orange and black presented a horn of plenty out of which spilled the fall harvest of fruits and nuts. Mrs. Gay Schrader and Mrs. George Simons were in charge of the Harvest table, which was followed by a table of flower arrangements by the members of the club displaying their lovely begonias, dahlias and other fall flowers, chief among them being a exotic arrangement entitled "Moonlight" which featured a single large dahlia in a silvery shade backed by leaves in the same color.

Graduation and music were featured together in the music table which had as its centerpiece a harp of flowers in purple and gold chrysanthemums. Mrs. John Cantoni and Mrs. P. J. Heinzen sponsored the decorations.

The teenage table was a simple setting of red geraniums placed on green leaves while clever football figures kicked for a goal. Mrs. W. W. Wisler and Mrs. A. F. Leal were in charge of the teen-agers table.

The fireplace setting featured logs piled in the fireplace with red geraniums simulating flames flickering between the logs. On the mantel was a sheaf of dyed pampas grasses in pastel colors shading from the dark to light.

The table settings were divided by screens which carried out the garden theme and featured pine boughs interspersed with yellow African marigolds on one side and orchid dahlias on the other while the second screen was of orchid and red dahlias backed by white and orange flowers. The screens were made by Mrs. Frank Johnson, Mrs. N. A. Cowdrey, Mrs. S. N. Heddegard and Mrs. Wesley Youngclaus.

Cut flowers were furnished by Mesdames Mitchell Lobrovich, Florence Friday, Clair Davidson, W. A. Smith, E. F. Ballot, Mary Triguero, C. I. Kankel and Lowell Benson. Potted plants were in charge of Mrs. Felix Bersano, A. H. Van Cott and John Perata.

An arrangement of Peace roses, the club flower was also featured. Door prizes of two potted camellias, two potted azaleas and a flower arrangement and its container were made during the day, the prizes being presented through the courtesy of J. J. Payne, manager of the American Trust Company, Campbell.

A forest nook scene was arranged in one corner of the room with bamboo shoots, ferns, begonias, ivy and pine cones creating an illusion of remoteness.

The entire show displayed the untiring efforts of the organization which celebrated its first birthday in March. Fifty members comprised the membership list under the direction of Mrs. Harold Peck, president. The flower show was under the direction of Mrs. Monica Parr.

Mr. and Mrs. J. R. Carbonni, who observed their Golden Wedding anniversary Sunday, were honored guests of the club and sat at the golden wedding table. They also broadcast over the air at 3 p.m.

Door prizes, which were drawn by Kenneth Tarry of Germaines in San Jose, were won by B. A. Miller, 621 S. Winchester Road, first prize; Helen Brown, 139 Bland Ave., Campbell, second prize; Joseph Leszarr, 157 Latimer Ave., third prize; Margaret Parr, 290 N. Harrison, fourth prize and J. J. Menamin, 1377 Cristina, San Jose, fifth prize.

ATTEND PARTY

Mrs. Charles Freude, Mrs. Robert Hoffman, Mrs. H. A. Olson and Mrs. C. M. Clever of Campbell were among the guests attending a mop party at the home of Mrs. Charles Carle in Monte Vista.

Rev. H. L. Walsh County Woman's Guest Speaker

On October 18th members of the County Woman's Club met in the club rooms of the library building at 2:30 p.m. Mrs. F. A. Jacobson presided over the business meeting.

The Pledge of Allegiance to the flag and one verse of America were led by Mrs. Gregory Parker. Mrs. David Sanders was at the piano.

On behalf of club members, Mrs. Jacobson congratulated Mrs. L. J. Carboni on her 50th wedding anniversary. Mrs. Carboni is a past president of the club having served the year 1927-28.

Mrs. Ethelda Minehart, chairman for the day, introduced the speaker, Rev. H. L. Walsh, educator and author from the University of Santa Clara. Rev. Walsh first came to the Santa Clara Valley in 1893. He has been affiliated with the University of Santa Clara since 1904. He gave a most interesting talk on early pioneering of the Santa Clara Valley with special reference to Santa Clara and Campbell. One of the very interesting things he told is that the mission bell at Santa Clara has been rung once a day since 1789.

A musical trio from the Campbell Union High School played four numbers. The trio consisted of: Richard Larsen, violin; Jean Smith, cello; Jeanette Gomes, piano.

Mrs. Minehart introduced her committee: Mrs. Ray Wood, Mrs. C. E. Hancock, Mrs. F. H. Cutting, Mrs. G. L. Husted, Mrs. Frank Hinricks, and Mrs. C. E. Fagilde. The next meeting of the County Woman's Club will be held on November 1st. It is guest day for club members and a lovely tea hour is being planned by Mrs. C. L. Ackerman and her committee.

School PTA Holds Supper

Approximately 200 persons attended the recent Pot Luck supper which opened the fall season for the Campbell Grammar School Parent-Teacher association. The meeting, which was in charge of Mrs. J. R. Longfellow, president, was for the purpose of acquainting the fathers and mothers of school children with the school program and the teachers. During the program William Henley, School Superintendent, introduced the new teachers. The next regular meeting is set for November 2 at 2 p.m. in the school auditorium.

Portal Writes For Boxing Guide

Collegiate boxing brought new honors to San Jose State last week, when the Official Boxing Guide for 1949 hit the newsstands. The Guide, which is the official publication of the National Collegiate Athletic Association, includes two articles by DeWitt Portal, Spartan boxing coach.

The cover of the Guide also shows the prominence of San Jose in the collegiate boxing picture. It is a picture of Wayne Fontes, State's Pacific Coast Intercollegiate middleweight champion, mixing it with Earl Burns of Hartnell College of Salinas. Both boxers are wearing the protective helmet designed by Portal.

One of the articles by Portal explains the scoring system used at San Jose last season. Based on a running score, which is tabulated on a big scoreboard, the system was used in 91 bouts without an unpopular decision.

The other article is a plan advanced by Portal in which all boxers receive a numerical rating and are matched according to their ratings. This, Portal says, would insure even matches at all boxing cards.

FIRE-FIGHTING CLOTHES TEST . . . "Reflection for protection" might well be the slogan of this scene from tests recently conducted by air material command's aero-medical laboratory at Akron, O., to determine the heat resistant qualities of various types of fire-fighting clothes. In the center the "Bunkin" suit, now in wide use by airplane crash firefighters, has become too hot for its wearer and is being wet down. The aluminum foil laminate suit at left, developed by AMC's aero-medical laboratory, was found to give its wearer the greatest comfort and protection.

Guggenlime Plant To Be Located Here

Plans calling for the eventual transfer of the Guggenlime & Co. division of Hunts Foods, Inc. to the Campbell plant, were revealed Thursday. The Guggenlime plant processes dried fruit, employing 325 persons at the peak season. Hunt acquired the Guggenlime fruit processing facilities and the Drew Canning Co. plant in Campbell in 1941. Transfer of the business will not take place for approximately a year and a half.

Birthday Party For Karen Olson

Miss Karen Olson, observed her 11th birthday Saturday with a party at her home on Winchester Avenue for 15 of her classmates. The Halloween motif was carried out in the party directions and the group spent a pleasant afternoon bobbing for apples and playing traditional Halloween games. Birthday cake and ice cream concluded the festivities. Karen is the daughter of Mr. and Mrs. H. A. Olson.

Rebekahs Plan Folk Dances For Fellowship Night

Ada Rebekahs meet Oct. 19 in the IOOF hall with Fern Fellman, Noble Grand, presiding. It was announced by Bonnie Silberbauer, District Deputy President, that Alice M. Schultz, President of Rebekah Assembly, will pay her official visit to District 3 on Nov. 8 at Josephine Lodge in San Jose. Members were also reminded by Mrs. Silberbauer of the District Carnival to be held in Campbell Oct. 30. Friends and families are invited to attend.

Jessie Silberbauer, prize chairman for the Rebekah card party to be held Nov. 13, in the Campbell high school gym, asked all members to please bring their prizes to the next meeting.

A group of folk dances under the supervision of Leila Merritt, Vice Grand, would be presented by the Ada group at the District Good Fellowship Night, Nov. 19 in the Scottish rite temple in San Jose.

Bessie Merritt, drill mistress, called an initiation drill practice for Oct. 29, 7:30 p.m. in the IOOF hall.

Arrangements for the evening were supervised by Blanche Gilpatrick. Halloween motifs were carried out in decorations and refreshments and members came in costume.

The next meeting, Nov. 2, will be a social evening with Irene Hodges acting as chairman for the evening.

Don't Be A LEGISLATIVE BEGGAR

vote **NO** on proposition No. 13
(The Senate-packing Reapportionment Scheme)

AND
prevent left wing radical
bosses from making
legislative beggars out of
you and your communities!

HERE'S WHAT PROPOSITION No. 13 DOES TO YOU:

- IT makes your vote worthless by turning over absolute control of Legislative Government to the four coastal metropolitan areas of California.
- IT scraps the "Federal Plan" of check-and-balance representation in Senate and Assembly — a plan tested nationally by over 150 years of Congressional law-making under which metropolitan and non-metropolitan areas have a dual voice in government.
- IT paves the way for a return of bossism in even more vicious guise than existed before Left-Wing Radicalism was injected into modern power politics.
- IT tells rural California, and the inland cities, covering 94 per cent of the State's area, and producing most of the State's new wealth, to keep quiet about the affairs of their Government.
- IT concentrates the power to tax—which is the power to destroy—in the hands of big metropolitan interests and substitutes class conflicts for the understanding and cooperation now existing between city and country dwellers.

IT MAKES YOU AND YOUR NEIGHBORS LEGISLATIVE PAUPERS

Don't let this happen!

Rally your voting strength; tell your neighbors and friends in San Francisco, Los Angeles, San Diego and Oakland how you feel about this scheme. Get out a 100 per cent "NO" vote on Proposition No. 13. YOU'LL NEED IT TO DEFEAT THIS SENATE-PACKING POWER GRAB!

SPAIN—ACE IN THE HOLE

REVOLUTION behind the Iron Curtain, and liquidation of the present Russian rulers will prevent a third World War. These humanitarian occurrences however, seem remote. They will happen some day; they always do in circumstances at all similar. They are but normal human reactions to prolonged oppression. Superior military strength of the forces now opposed to Pan Slavism will delay a war. In the meanwhile guesses are as good as prophesies.

Russia's most propitious moment for the gamble is NOW. In a few years the Western European nations, backed by the U.S.A., should prove a hard nut to crack. Today the Atom bomb alone holds back the Asiatic hordes. Tomorrow they may have it also.

But—today or tomorrow—the occidental peoples, who inhabit Western Europe, and we ourselves, are at last fully aware that the Slavs are determined to conquer the earth—or else! For this attempt we are now belatedly beginning to prepare. We are blue-printing an international defense system which entails the expenditure of billions for arms and war materials for the Western bloc including, naturally, France. Here—until she is strong militarily and sound politically—lies our weakest bastion. Today Russia could probably march to the Pyrenees in three weeks time. If Spain were unprepared militarily, she would collapse. The Mediterranean would be lost; England might be made impotent.

The greatest potential against the conquest of Western Europe by the Slavs—is Spain. Will some one inform a mystified segment of the American public, why—in the name of everything which makes common sense—we allow the Communist elements of our electorate, and the brainless and/or unpatriotic, fellow traveling, Stalin apologist, Wallace worshippers, and their ilk, who have the adolescent naïveté to actually believe themselves "Liberals"—to prevent us from defending our country by making Spain our most invulnerable outpost of resistance to the—maybe soon—oncoming savage tribes from behind the Iron Curtain? That's a long question, and it shouldn't be necessary—but weirdly enough—it is.

6th Grade Visits Post Office

Members of the 6th grade class of the Campbell Union Grammar School under the direction of William Shephard, visited the local post office Tuesday morning. While there Al Carter, post-office employee, showed the group around and explained the travels of a letter from the time it is dropped in the letter drop until it is delivered at your door.

The group found the trip very interesting and educational and hoped to visit other local establishments in the near future.

Kiwanians Hold Intra-Club Meet

Members of the Campbell Kiwanis club held an intra-club meeting with the Mt. View organization Tuesday noon at the County clubhouse, with Clarence Nelson of Campbell serving with Stan Anderson of Mt. View as co-chairman.

Visitors during the meeting included one from San Marino, two from Los Gatos, two from San Jose and one from Los Altos and one Campbell high school student. The program, which was presented by the visitors, was under the direction of Thurmon Thompson who gave several songs and stories. A piano solo and singing by a trio completed the program.

A resume of the trip to the Reno National Convention will be given at the next meeting.

Kiwanis Delegates Return... Broke

By RAY FISH

Reno, the Convention Town where man parts with that thing called money. Last week eleven Brave Kiwanians left Campbell to attend the Convention at Reno. There was talk of breaking the Bank etc. But I see a much wiser gang returned with nothing left but their clothes. Some of these Brave Men took their wives for protection or good luck. I'm not sure which. Joe Dahl, who when asked how much he lost, promptly answered that he broke even and was immediately called liar. Joe Gomes was kept busy playing Bumps A Daisy with Howard Payne admits to a \$35.00 loss. Ethap Lamphear says that what he lost in the gambling houses he made up later in the room. Shame on you Guy Farley and Fred Jones. I guess you will never learn. Clarence Nelson and Bud Levenberg admit nothing—"Wise Boys!" Henry Jewel and Lowell Benson, those great big silent men, are more silent than ever. Norm Corvello went to celebrate his First Anniversary. Oh Boy! what a celebration. Ok Norm, I won't say any more. Oh, yes, the convention was a Huge Success—that is if any one should be interested.

Campbell Chest Drive Started

Ray Fish, president of the Community Chest drive in Campbell announced that Community Chest workers would be composed of members of service organizations of Campbell.

He requested that donations be held until a volunteer worker calls on you for your contribution, as it may take two or three weeks to cover the town due to the increased size of the community. Donations, whether large or small are being asked by the Red Feather agency.

Joe Dahl is manager of the present campaign.

Santa Clara County Tax Rate Is Set At \$1.93 Per \$100

Santa Clara county's tax rate for general county purposes for this fiscal year is 1.93 per \$100 of taxable valuation, compared with a \$1.726 rate for 1947-48, and a \$1.5036 rate for 1941-42, California Taxpayers' association reported today, making public its study of trends in county tax rates for the past eight years.

The county is only one of the several local governments which levy taxes on property in California, the Taxpayers' association said. Cities, school districts, and special districts also levy taxes on property.

November sees not only an election, but local property tax bills. "The tax bills are the result of what government is doing."

"The election is an opportunity for people to direct their governments' course of action in the future."

The rise is the cost of government calls for every Californian to be particularly careful in his action on November ballot proposals—both statewide and local," the association declared.

Grange Plans Nov. 2 Pot Luck

Members of the Orchard City Grange are planning a Pot Luck dinner for 6:30, Nov. 2 at the IOOF hall. It is requested that members please bring their own services.

Speakers for the evening will be Robert Kirkwood, Assemblyman and Carl Ryser who will discuss the county charter.

Mr. and Mrs. Raymond Gilpatrick and Mr. and Mrs. Felice Robba attended the opera last Friday evening in San Francisco.

Members of the Campbell Rotary Club will meet with the Los Gatos unit Tuesday noon at the Lynden Hotel.

Two Generations Baptised Sunday

Baptismal services held at the Congregational Church Sunday Oct. 17 for a granddaughter, a great granddaughter and a great grandson of Mrs. F. E. Duncan of Johnson Avenue.

Baptised by Rev. Corwin Olds were Christine Emily Cavas, daughter of Mr. and Mrs. James Cavas of San Francisco; Dayle Wilson, daughter of Mr. and Mrs. Earl Wilson of Oakland and great granddaughter to Mrs. Duncan, and Kenneth Duncan Hill, son of Mr. and Mrs. Fenton Hill, Jr., of Palo Alto. Kenneth is a great grandson of Mrs. Duncan.

Following the service a buffet luncheon was held at Mrs. Duncan's home for friends and members of the family.

Visiting with Mrs. Duncan for two weeks is her daughter, Mrs. Cavas and small daughter, Christine.

Fellowship Group Elects Officers

New officers were elected Sunday evening by the Pilgrim Fellowship group of the Congregational Church.

Jean Jensen was elected to the post of president with Marcell Sanders as vice-president; Audrey Berglund, treasurer, and Beverley Bibben as secretary.

The group, which is composed of high school students, has many interesting plans for the year among them a trip to a rally at San Mateo this weekend and a weekend fellowship meeting in the mountains at some future date.

The group is under the direction of William Shephard.

Boy Scout Group Will Meet for Discussions

Scoutmasters, assistant scoutmasters and unit committeemen will meet during the next week in their respective districts to carry on the second session of the monthly Scouters' Roundtable. The program theme for these meetings will be "explorations" and the training theme "Troop and Patrol Program Planning for the month."

Scouters from the Sunnyvale-Cupertino district will hold their respective Roundtable at the Sunnyvale Grammar School on Monday, October 18, followed by the Campbell Roundtable Tuesday, October 19 at Post No. 2 headquarters. The San Jose South Roundtable will be held at Troop 41 headquarters, located in St. Mary's School, on Wednesday, October 20. This district Roundtable will be followed by one for the leaders of the Los Gatos-Saratoga district at the Los Gatos Youth Center on October 21.

The South Valley district for leaders in Morgan Hill, San Martin and Gilroy, will meet in the Elks Club in Gilroy on October 25, with the final Roundtable at the Burbank School for the leaders in the San Jose North and Santa Clara District on Wednesday, October 27.

All programs will be the same,

thus giving Leaders who miss the Roundtable in their own district a chance to make up in another area. There will be instruction in map sketching, a game requiring the use of the compass, and a presentation on "What Makes Scouting Modern," for the first half of the Roundtable session. A sound picture, "Program Planning for the Month," developed by the National Boy Scout Council, will be shown during the training session. A discussion and assignment of a home project for those present will follow the showing of the motion picture.

All leaders interested in Scouting are invited to attend any of the scheduled Roundtable meetings.

Schedule 'Prune Day' At Davis

"Prune Day," arranged by the Division of Pomology of the College of Agriculture will be held on the Davis campus of the University of California on Saturday, October 23, 1948. The meeting has been arranged under the direction of Dr. W. P. Tufts at the request of the Prune Program committee, the Farm Bureau Prune Section, and the California Prune and Apricot Growers Association in order to review the research work of the College of Agriculture affecting prunes and to the improvement of quality in the production of prunes. The announcement is being made by Lewis W. Arm-

Construction crews rush two new Feather River power plants

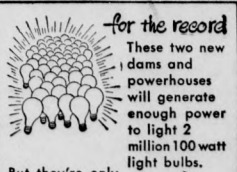

A sixteen-mile stretch of the Feather River will soon be turning out 270,000 new electrical horsepower for Northern and Central California. Two new dams, two new powerhouses and tunneling are already well underway...and when they are completed, still more waterpower will be harnessed.

Map shows location of the two new plants—Rock Creek and Cresta...along with three already built. A system of several dams and powerhouses like this one is an extremely efficient power producer and helps conserve water for irrigation.

Two of our biggest water tunnels are part of the new construction...10 1/2 miles of tunnels large enough for a double track railroad. We're going ahead full speed, and the project, begun in 1946, will begin delivering power next fall.

These two new dams and powerhouses will generate enough power to light 2 million 100 watt light bulbs. But they're only part of a giant power-building program that will step up P.G. and E. capacity nearly 2 million horsepower. This program—largest in America—has created 6,000 new jobs.

Work never stops on our power-building program

Badge Awards High School P-TA Sponsors Tea

The annual Campbell Union High School faculty tea sponsored by the P-TA executive board will be held Tuesday, October 28 at 2:30 p.m. in the Campbell High School cafeteria.

Freshmen mothers and mothers of new students are especially requested as honored guests.

Harold Drummond, faculty member at the school, will speak on "Reading." A musical program is also being planned for the tea.

The freshman orientation classes are sponsoring a contest to see which class will bring out the most mothers.

Audrey Berglund To Entertain

Audrey Berglund will entertain the 7:30 Horizon Club next Monday evening at her home on West Campbell avenue. Mrs. Laurence Hill is advisor for this group of high school girls which is organized under the Camp Fire Girls program.

Jeanette Gomes is president of the club while Audrey Berglund, Regina Smith and Joan Sanders are vice-president, secretary and treasurer respectively. Other members are as follows: Jean Currie, Patty De Leve, Shirley Goodell, Margaret and Phillipa Hengstbeck, Jean Jensen, Dolores Landrie, Marilyn Ott, Jean Smith and Dixie Selby.

Evangelistic Series To Begin Sunday

Pastor C. Bufano to begin series of meetings in the Seventh Day Adventist Church, 4th and Rincon streets, Campbell, Sunday, October 24 at 7:45 p.m. Each service will

Girl Scout Troop Works Toward

Last meeting of Girl Scout Troop No. 22 was devoted to work toward badge awards.

Mrs. Olive Parysek, an adept gardener is in charge of Scouts earning their Garden Badges. Mrs. Eugene Jansen is capably instructing and assisting her group in the art of "Outdoor Cookery."

While Mrs. Ethel Arnold (who probably still secretly cherishes her ambition of one day making a bike hike to Los Angeles) has very aptly taken over the supervision of girls interested in securing their "Cycling Badges."

The next meeting, on October 22 will be for the sole purpose of contributing their share toward the relief of tuberculosis. Troop No. 22 has undertaken the task of folding and packaging 100,000, 1948 tuberculosis seals which go on sale annually. Money raised from the sale of these Christmas Seals pays for year-round free chest x-rays, health education, research and tuberculin for physicians.

Girl Scout Troop No. 22, along with their personnel would like at this time to publicly extend best wishes to the new owners and to thank the Campbell Press and associates for all their kindness and co-operation in allowing the Girl Scout program to become familiar to all. Special mention and gratitude to Mrs. Peggy Blanchard who, all unknowingly to the girls, contrived a very thoughtful farewell gesture in surprising them with the Girl Scout emblem now heading their column.

Thanks again to all of the staff and good luck from the Girl Scouts of Campbell.

LOCAL PEOPLE ATTEND GAME

Among the rooters at the football game Friday night between Campbell High and Santa Clara High were Mr. and Mrs. Homer Hyde, Mr. and Mrs. Guy V. Berg, Mrs. Louise Tordt, James Brand and Harry Blanchard.

Mrs. J. Hugh Rincon of San Mateo was among the guests who visited the Campbell Garden Club Flower Show Wednesday. She was the guest of Mrs. Harold Peck.

11 a.m., Saturday. Prayer meeting at 8 p.m., Wednesday. Young People's meeting at 8 p.m., Friday.

CONGREGATIONAL CHURCH—N. Center street. Rev. Corwin H. Olds, L.L.D., minister. Sunday Services: Sunday School, 9:45 a.m. Worship Service, 11:00 A.M., with Nursery for the care of children during worship. Pilgrim Fellowship meets at the church at 6:00 p.m. Boy Scouts, weekday evenings. Choir rehearsal, Tuesday evenings.

Campbell House Scene of BPWC Meeting

Plans for a big evening are under way as members of the Campbell Professional and Business Women's Club prepared to receive the State President, Mrs. Lela E. Swasey of Santa Cruz Wednesday evening, October 27 at a 6:30 dinner meeting at the Campbell House.

Mrs. Winifred Goodell, president of the local chapter, stated that Mrs. Swasey will present the Campbell Charter to the organization during the meeting. The Campbell unit was organized in May of this year with 32 charter members. They now have 37 members. Since their organization the unit has gone on record as sponsoring the lighting of the baseball diamond at the grammar school.

Other guests during the evening will include members of the Los Gatos chapter of the BPWC who sponsored the Campbell unit.

Assisting in making the dinner arrangements is Mrs. Dianna Payne with Mrs. Kenneth Grey in charge of decorations.

Mr. and Mrs. L. J. Carboni, who will observe their 50th wedding anniversary Sunday, were the honored guests at the Garden Club Flower Show Wednesday, and were seated at the Golden Wedding table during the afternoon.

Christmas Seal Sale Under Way

Early plans for the 1948 Christmas Seal Sale in outlying communities include widespread use of special publicity materials, book-marks, window displays and posters, movie trailers which this year feature Ingrid Bergman in a brief appeal to support the National annual sale of Christmas Seals.

Actual raising of funds will be made as usual through the mail sale of Seals which will be sent to 70,000 residents of Santa Clara county on Monday, November 22. Goal for the 1948 sale is \$50,000. Last year the returns totaled \$48,035.53. Money raised from the Christmas Seal Sale pays for year-round free chest X-ray, a trained health educator, research, tuberculin to physicians, and widespread distribution of pamphlets, books, sound films and other educational materials.

The '48 Seals, probably the most colorful and appealing one for many years, features a tow-headed boy in a red sleeper seated before an open fireplace—from the mantelpiece hang Christmas stockings. Bright blue, red and yellow are feature colors in the Seal.

Mr. and Mrs. Rudolph Rost and daughter Evelyn of Portage, Wis., who have been visiting Mr. and Mrs. Fred E. Rost of North Second street, returned to their home Sunday.

EVERYONE WELCOME

Vote YES for Your
COUNTY CHARTER

Efficiency OR Confusion

WHICH WILL YOU HAVE MR. AND MRS. TAXPAYER?

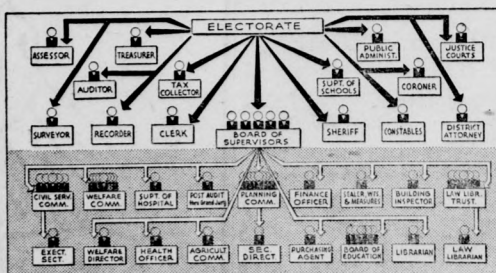

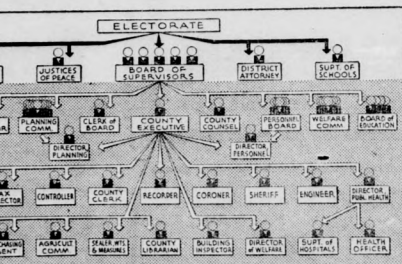

The CHARTER plan

Under your "home-rule" Charter the structure of your Santa Clara County government will look like this. Note the simplicity, and direct line chain of responsibility from top to bottom. Greater efficiency is the net result... and for you a greater value for your tax dollar. A vote for the Charter is a vote for good County Government... efficient County Government.

The PRESENT plan

This confused framework is the structure of your present County government. Essentially unchanged since its creation under the general laws of the State nearly a century ago, it cannot efficiently serve the needs of our fast-growing County. Diffused authority and responsibility lets confusion reign supreme. The net result is inefficiency... less value for your tax dollar.

OUT WITH CONFUSION: Under the present system, nobody in your County government is responsible... authority is dispersed among several independent, elective offices. Services are duplicated, authority overlaps, and inefficiency is the rule rather than the exception. You, as a citizen and taxpayer suffer, under this "horse and buggy" framework of government. It costs you more for less service than it would under an efficient, Charter-Executive form of County government. Did you know, for example, that not once in the 98-year-old history of our present "out-moded" County government has there been a full and complete audit of all County transactions? Under the present structure such an audit is not possible... as grand juries for the past thirty years have found. Under existing law our County Auditor has the power only to audit his own books. He cannot audit the books of any in-

dependently elected official, special district, or agency, without their consent.

Competent and conscientious officials of our County government work as best they can under the antiquated framework. They have no other choice. Since there is no centralized authority and responsibility... buck-passing is the order.

Your Charter gives you, the taxpayer, a responsive, democratic structure of government tailored to the needs of Santa Clara County. Through a competent County Executive with the power to integrate departments and services... streamlining the administrative functions of your government for efficiency and economy, you, the taxpayer, benefit in two ways. Improved service from your government... and a lower cost for that service.

Date Is Set for Church Bazaar

Members of the various women's organizations of the Congregational Church are busy with preparation for their Early American Christmas Bazaar, slated for December 2.

Tea will be served by the members of the church music committee with Mrs. Oliver Jensen as chairman assisted by Mesdames E. L. Farnham and Frank Coombs.

The Christmas Bazaar is an annual event for this church and will feature articles of fancy work, potted plants, cooked foods in addition to the tea. Mrs. Emily Duncan will act as general chairman for this year.

You are asked to remember the date—December 2 as an opportunity to make selections for that Christmas list.

As your elected Freeholders, and as earnest Santa Clara County citizens like yourself, we believe that we have produced the best County Charter to be found anywhere.

The Charter is a home-rule constitution... an instrument which, in the hands of our generally excellent county officials, should make our tax dollars more productive, and county service more effective.

We worked day and night constantly during the past summer, ever aware of our tremendous responsibility. During the time allotted to us by the law, following our election, we studied charters of other counties; we interviewed our own county officials and employees; we questioned executives from other counties; we studied grand jury reports for several years back, reports of the Citizens Planning Council, the J. H. Jamison reports on county deficiencies which he made to the Board of Supervisors. We had the assistance of Edwin Williams, Assistant County Counsel, and other practical legal and governmental experts, checking the three drafts we made of the Charter, line by line, before the fourth draft was filed September 7, for place on the November ballot.

We entered this job conscientiously, and none of us compromised a single principle. We felt our job was so important that we dropped vacation plans and refused any compensation and traveling expenses to gather together in meetings, conferences and interviews during June, July, and August.

We are proud of the job we have done. Santa Clara County is the most populous in California without a Charter. But in making up that deficiency we had the experience of ten other charter counties of the state to draw upon, and the Charter we have produced for you, we all agree, is one that will place this County in the forefront of streamlined government, designed for these complicated times.

We Freeholders, individually, as a group, and as your neighbors, ask only that you judge this Charter as forthrightly as we produced it. We all stand ready to answer any questions.

Sincerely,

A. J. Price, Los Altos

Spartan Seamen To Open Water Polo Season

San Jose State will enter its first national water polo tourney Monday when the Spartan seamen battle the field in the national AAU junior championship tournament at San Francisco.

The Spartans have drawn the Olympic Club team, a strong favorite to take the crown. But with competition under the Bervoll system, San Jose has a good chance of finishing among the leaders, even if they lose to the more experienced clubmen.

Five of the seven starting Spartans will be lettermen, including Bob Keeler, who scored six goals against California last week, Capt. Howard Ruweler, Dave Thompson, Gene Foley and George Hodgins.

Cambrian Home And School Club; Teachers Hosts

Members of the Cambrian Home and School Club met October 14 at the school house with Mrs. Robert Tonkin, president presiding. It was announced that for a brief time the meeting would be changed to the first Thursday of each month.

A reception honoring the Cambrian school teachers was held October 20 in the auditorium with Mrs. Amye Roberts as chairman.

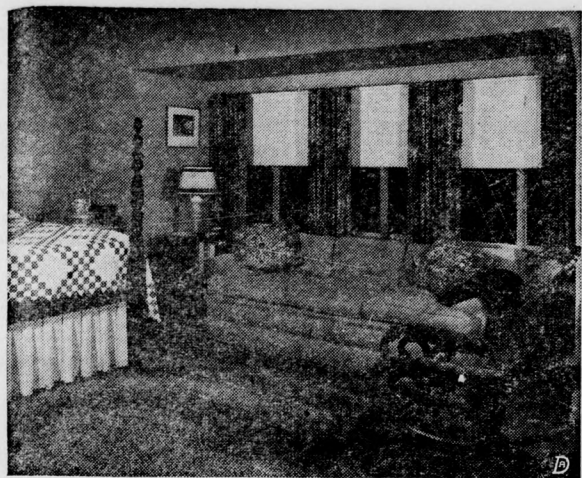

It was announced that two mothers from each room will assist the school nurse during the month of November in immunizing the children.

Playground equipment is now on hand and any fathers interested in helping to install this equipment were requested to call Mrs. Tonkin at Campbell 2526.

Mrs. Roberts was commended for her work on the summer recreational program and Mrs. Guilbert was thanked for promoting and acting as chairman of canning surplus fruits for the cafeteria use.

Miss Frances Malefyt, director of Campfire for Santa Clara county spoke briefly and the club voted to sponsor a Campfire group.

The executive board under the direction of Mrs. Veronica Stoner acted as hostesses.

Good decoration need not mean dramatic or bold interpretation. Often simple, warm decorating is much more effective. For instance, this Early American master bedroom combines warmth and charm in the old chair and footstool, quilted bedspread, rag rug and chintz draperies. The James Cagney home in Beverly Hills (above) features unsophisticated detail that makes it inviting and livable throughout. The plain white shades at the windows complement the patterns of the other fabrics. Again, the antique wash basin and ewer are featured alone to avoid a cluttered look and to retain the utmost simplicity. This home adds up to good taste in decorating.

Timely Hints Given to Maintenance And Preservation of Flowers

It's time to clean up your garden if you haven't already done so. Many of the summer annuals are beginning to look rather seedy now and should come out especially if they are getting moldy or any mildew on them. Clean off all of the leaves that are dead from your perennial borders. This is a very good time to replace any of the perennials that may have died out for one reason or another. By putting them in now you should get a nice large plant by next summer and a full set of blooms.

Be careful and do not prune your fuchsias, pelargoniums, hibiscus, or any of the other semi-tender plants at this time. It is better to leave all of the summer growth on the plant then if it does freeze it will only be the tips and there is no harm done. Then next spring when the plants start their new growth you can trim back to where the new leaves are coming out.

Keep up your watering schedule on your shrubs and specimen trees. The little rain that we have had so far has done little more than sprout some weed seed.

It's leaf raking time once again. Don't rake them up in a pile and set a match to them. Instead start

a compost pile in some unused corner. This takes very little time and pays for itself in leafmold and compost which you can work back into your garden. Just start with a layer of leaves, dead grass, or even some of those annual bedding plants that you have had to pull out. Spread them out more or less flat over a four foot square. Sprinkle them with the hose and cover with a very thin layer of soil. As you rake up more leaves or grass, etc., they can be added in layers being sure to sprinkle them a little.

The water starts them rotting so it is unnecessary. You can also sprinkle a little commercial fertilizer over the pile every three or four layers. There is also a special compost maker on the market which will break the pile down faster.

If they haven't already started to turn yellow you can start to withhold water on the tuberous begonias. They should be fairly well dried off and lifted before we get too many heavy frosts. It is possible to carry them through the winter in the ground if they don't get too wet and are covered with a mulch which will keep the frost from the bulb. When they are lifted and dried out they can be started a good deal earlier than when left in the ground. It also permits you to plant something else in their place for the winter and spring.

The fibrous begonia should not be disturbed at this time. It usually freezes off in the winter. The large fibrous roots carry it through the winter and it comes up again in the first warm weather. If they are moved or divided at this time they may not make enough root growth to carry them this winter. If they should be divided wait till next spring when they first come up then did the clump, divide it and reset.

Shirley Goodell Birthday Feted

Miss Shirley Goodell was honored Monday evening on the occasion of her 19th birthday by a family dinner party at her home at 32 South Milton street. Present to extend congratulations were Miss Goodell's sister and brother-in-law, Mr. and Mrs. Newton Wood of Campbell, her mother, Mrs. W. H. Goodell and C. D. Cutting.

Footlighters Start Rehearsals On 'Smiling Through'

"Smiling Through," the beautiful comedy drama by Allan Langdon Martin has been selected by The Footlighters, Campbell Little Theater Group for production December 2 and 3. Rehearsals are now in progress under the direction of Dean Chamberlain, and work on the elaborate setting has been started by Earl Clark and Ethan Lanphear.

The leading role in the plot is crochety old John Carteret, on whose country estate the action takes place. Gene Hodges, an experienced member of former Footlighter casts, has been given this role. The conflict in the plot concerns the hatred of old John for his neighbors, the Wayne family; and the love of his ward Kathleen played by Lillian Morris, for young Kenneth Wayne, portrayed by Warren Brown. Kathleen is aided in her love for Ken by Dr. Owen, played by LBen Howard, and by the house servant, Ellen, played by Alma Fanning. Finally, in desperation, old John tells the story of his undying hatred for the Waynes. A story involving a "flashback" of 50 years during Act 2 of the play. In this dramatic scene John's sweetheart, Moon-

yeen Claire, is killed by Geremiah Wayne just as she was about to wed John. The parts in this scene are taken by Art Tindall, Harvey Sheeder, Thais Ackerman, and Greg Parker. Frank Pearson, Virginia Tindall, and Evelyn Bachman portray minor roles in the cast.

The Footlighters are planning to erect a very elaborate garden setting for the event, and expect to create some very striking lighting and stage effects. A musical background will accompany large portions of the play. The flashback scene will be in the costumes of the late 1800s. Striving to produce an atmosphere of haunting beauty, rather than that of lifting farce which has characterized so many of their plays, the Footlighters hope to present the finest production of their 10 years in the field.

Committee chairmen include Earl Clark and Ethan Lanphear, setting; Ruth Gould, properties; Virginia Tindall make up; Virginia Howard, publicity, Ida Levenberg, costumes, and Don Gould, lighting. All are working under the co-ordination of President and General Chairman Marye Parker.

List of characters in the order of their appearance: Virginia Tindall, Evelyn Bachman, Gene Hodges, LBen Howard, Alma Fanning, Lillian Morris, Frank Pearson, Warren Brown, Greg Parker and Thais Acherman.

San Jose State To Meet Cal Poly Mustangs

A 41-man San Jose State football squad will climb aboard the Daylight Saturday morning bound for San Luis Obispo and the revenge-minded Cal Poly Mustangs. For the Mustangs this is the game they have been pointing for, and if the reception accorded

the Spartans last year is repeated, the evening promises to be a rough one.

The Spartans will be nearly at full strength for this test, their first conference game of the season. Cal Poly has already split even in two CCAA tilts.

Coach Bill Hubbard has been pleased with the work of his Gold Raiders this week, but has warned them about the improvements in the Cal Poly grid machine.

This will be the seventh game

DIARY

I'm scared. Bob told me today that he might lose his job if Proposition 15 passes and that it would mean at least 40,000 other jobs lost. I can't bear to think of what would happen to us with the cost of living so high.

VOTE NO ON PROPOSITIONS 15 AND 6

FACT:—California's fourth largest industry, commercial fishing, employs over 40,000 people.
